

Splash! Splash! Hundreds Expected as City Swim Pool in Sierra Vista Park Opens This Saturday

Sierra Madre's swim pool in Sierra Vista Park, attendance of which last year averaged 250 persons a day, seven days a week, will open with "a lot of splashes" this Saturday afternoon at 1 o'clock, City Recreation Director David A. Sommers announces.

The pool, under Sommers' direction, has been placed in tiptop shape for the summer season.

A highlight of the summer will be the Aqua Fair on Aug. 26 at 8:30 p.m., presented by the Parks and Recreation Department. Program will feature many of Sierra Madre's swim talent, plus the Community Band.

The pool will be operated from 1 to 5 p.m., at the outset and also later on from 6:30 until 9 p.m. Pool closes Sept. 11 unless

a public notice is posted. Prices are 50 cents for adults—18 years and up, and 25 cents for all others, 3 years to 17.

REGULAR SWIM instructions will be offered to all youths and adults during the summer months. Classes begin June 20 and will run until Aug. 26. All instruction will be conducted Monday through

Friday from 8 a.m. to 12 noon.

Classes which will be offered will be Junior and Senior Life Saving, Intermediates, Beginners and Non-swimmers.

Swimmers must be 6 years of age or older and be at least 45 inches tall, due to the depth of the shallow end of the pool. No exceptions will be made.

Registration will commence at the pool on June 6, from 1 to 3 p.m., Monday through Friday. No registration will be accepted at any other time. A fee of \$3.50 per ten lessons will be charged and \$4.50 for all life saving courses.

Classes will be limited to 30 students. This will allow the working force of five instructors to give closer instructions to all

swimmers.

A NEW CLASS for girls will be formed to learn the basic movements of synchronized swimming. This class will work on routines, which will be presented at the Second Annual Aqua Fair.

It will be required that all girls be of the age where they must be considered strong swimmers,

able to tread water for three and four minutes at a time.

A fee of \$2.50 will be charged for the entire summer of practice and instruction. Practices will be conducted on Wednesday evenings from 5 to 6:30. Toward the end of the season, more time will be necessary to prepare for the show.

COMMENCING July 11,

a special class for adults will be presented from 5:30 to 6:15 nightly. A series of six lessons will be offered for \$6. Swimmers may have their choice of Monday and Wednesday, or Tuesday and Thursday.

Registration may be made at the pool commencing June 1 at 1 p.m. to 3 p.m. daily, Monday through Friday.

Around the Square

By Tommy Ann Miller

Remember when the gruesome motion picture, "The Invasion of the Body Snatchers," was filmed in Sierra Madre several years ago? Well, in a recent brochure (from an art film museum), the setting of the movie tale was described thusly:

"The invasion of the world by the body-snatching pods starts in a small, stiflingly conservative town in a remote valley of Central California—the invasion finds a friendly environment and fruitful soil in the prevailing psychopathic, theologically-dictated, anti-sexual puritanism of the American community" . . . Really, now!

FABULOUS FISHING. Bob-Osti hooked a 300-pound bass at Baia de Tortuga in Mexico. This is a favorite fishing spot of ex-Sierra Madrean Hank Shippey, who acted as guide for local men flying down last week: John Paye (who caught two black bass, one weighing 200 pounds, the other 250 pounds), Dan and Fred Osti, Ray Ellison and Jim Clements.

MOST FASCINATING note of the week: "Pet Life magazine and Cobra Lily with directions on the window sill."

BESIDES helping direct "Annie Get Your Gun" at Los Angeles State College, Bill Davis has several roles in the musical which opened last weekend and runs to night through Saturday.

Bill and Delcia (in the process of settling down on the Boulevard) have sold their Foothill home to Hank and Pat Rose (both couples stricken with moving madness).

IF DOTTIE UNDERWOOD can't jet back to New York, she can always water ski 'round the Horn on the skis she won as a VFW door prize last week. Dotty (display ad whiz at the News office) and her mother, Sally Dewey, fly east on Wednesday for a month's visit with Dotty's sister, Frances Wormser of Bedford Village.

This is Dotty's first trip east since coming here 23 years ago—and she'll be carrying luggage which was a birthday surprise at a party given by John and Dot Kennedy Saturday night.

TORTOISE SHELLS. "Suzy," Jo Whalen's desert tortoise, dug a deep hole in the warm sand the other day and deposited ten eggs. The baby tortoises (or is it torti?) are expected to hatch in about 160 days.

ERIC THOMPSON, son of Bea Thompson of City Hall, has been accepted at U.S.C. to study for his Ph.D. in clinical psychology. He's getting his Master's in June from Los Angeles State and is presently doing field work at the Orthopedic Hospital in Los Angeles.

MEXICO MINES. Warren R. "Satch" Jones drove back to his home in Charcas, Mexico, after a fortnight with his parents, the Ralph M. Jones of E. Orange Grove. "Satch," who has lived in various parts of Mexico for the past ten years, operates several mines in Charcas and exports minerals, rocks, etc., to this country.

Blanchard To Head Repertoire Theater

The Sierra Madre Repertoire Theater was officially set in motion at a meeting in Sierra Madre School during which Glenn J. Blanchard, director and producer, was elected president. Other officers and directors, including a goodly representation of Sierra Madreans, were chosen to guide the destinies of Sierra Madre's first formal theatrical enterprise.

Blanchard made known immediately that the first production will be "One Mad Night," a hilarious comedy by James Reach, widely known author of "The Bat" and "The Cat and the Canary." Reading for casting will be heard tonight, starting at 8 o'clock, at the Sierra Madre Public School, 200 N. Hermosa. Productions will be staged at this school's auditorium.

IN ADDITION to Blanchard, the other officers are: William N. Spargur, Sierra Madre, vice president; Barbara J. Duffy, Temple City, secretary; James E. Wilson, Pasadena high school teacher and Sierra Madre resident, treasurer. Directors are Marie Fisher Wing, Pauline S. Richter, Barbara B. Tuttle and Edna H. Hall, all of Sierra Madre; J. Dale Witala and James N. Colbert of Highland Park; Leo P. Smietana of San Gabriel and John R. Fitch of West Covina.

Personnel of the board, in addition to general membership, represents talent in all phases of theatrical production.

G. E. Keating, Postal Vet, Passes Away

Following a lingering illness of several months, George Edward Keating, 71, of 164 S. Lima, passed away this last weekend, closing a career in the postal service bringing him into favorable contact with thousands of Sierra Madre post office patrons.

Known for his ready smile, flash of his brown eyes, and general competence, Mr. Keating was a mail messenger from 1942 until he formally retired on becoming 65. Through the succeeding years, however, and until recently, he had contracted to haul the mail to and from Pasadena.

As a messenger, special delivery man and latterly in his trips to and from Pasadena, Mr. Keating, it was estimated, had covered some 150,000 miles in the postal service. This included the 20 miles a day on the round trips between Sierra Madre and Pasadena.

CONSTANTLY an outdoor man, Mr. Keating enlisted out of British Columbia when World War I broke, serving with the Canadians

Sierra Madre Hospital Gets Top Award

The top award that any hospital in the country can achieve has been given to the Sierra Madre Hospital, it was announced this week.

Announcement was made to the Medical Staff Executive Committee at its meeting in Sportsman's Tavern, Duarte, that the Joint Commission on Accreditation of Hospitals has formally approved accreditation for the maximum period of three years to the Sierra Madre Hospital.

The Joint Committee on Accreditation of Hospitals comprises the American Col-

lege of Physicians, American College of Surgeons, American Hospital Association and the American Medical Association.

In addition to the official letter of notification sent to Hospital Administrator Larry C. Lomax, copies were dispatched to George W. Groth Jr., M.D., president of the governing body, and Nathan Jacobs, M.D., chief-of-staff.

THE CERTIFICATE of Accreditation posted by the hospital attests to the public that the commission's standards of basic organization

principles and methods of procedure have been met. This also testifies to the quality of medical care that patients receive.

Kenneth B. Babcock, M.D., director of the commission, in a letter to Administrator Lomax, said:

"The commission wishes to commend you for maintaining standards deserving of accreditation, and for your constant effort to improve the quality of patient care. Please be assured of our interest and of our willingness to be of all possible help to you."

Turning to the "King of the Crops" contest, vegetables to be judged on June 11 are lima beans, sweet corn, beets, peas, string beans, lettuce, carrots and radishes.

The 11 vegetables to be judged on Aug. 13 in Kersting Square will be sweet potatoes, yams, cucumbers, watermelons, cantaloupes, cabbage, squash, parsnips, turnips, potatoes and tomatoes.

PRIZES for these contests will be awarded in late August or early September. Mostly, they have been contributed by Sierra Madre

merchants. Crowns patterned after British royalty have been made by Jean Har-

graves. The more than 2,000 tags for the various entries have been provided free by Edna M. Herwig and Ed-E. Herwig, publishers of the Sierra Madre News.

Judges of the contest will be Mayor Webster W. Vannier, Robert Osti and Frank Spencer.

Bill Stoddard and Walter Faden comprise the committee on arrangements

Opening of the Babe Ruth Baseball season is scheduled for Saturday at La Salle Field. Festivities begin at 1:15 p.m., with game time at 1:30.

This year a complete new schedule will be in effect, with all games played on Saturday and Sunday, and each day presenting a double-header. Saturday's inaugural pits the Cardinals against the Giants, followed by the Senators vs. the White Sox, set for 4 p.m.

The Cardinals were last year's champs and are again favored to win the pennant since they have retained their pitching and infield strength as well as their heavy hitting combos.

Kiwanis Community Breakfast Dollars Set

More than 1,000 persons, mostly hungry, are expected, weather permitting, to attend—and enjoy—the annual Community Breakfast staged by the Sierra Madre Kiwanis Club in City Park, Saturday, June 11, from 7 a.m. to 12 noon.

Coincidentally, the Kiwanis, with Col. Walter D. Thurb commanding, will be conducting the first phase of the "King of the Crops" and "Queen of the Crops" contest in which 260 Sierra Madre school children will contest for prizes for having grown the biggest and best quality vegetables.

ONCE AGAIN, the Kiwanis Club makes an attractive proposal to spice up the Community Breakfast. In addition to appetizing foods, patrons will be able to purchase 1889 silver dollars (cartwheels) for 89 cents and which are redeemable at most Sierra Madre stores for \$1.50 in merchandise.

These silver dollars, reminiscent of a bygone age in American monetary affairs, are of rare value, and the Kiwanis Club has plenty of them on hand for breakfast patrons.

Turning to the "King of the Crops" contest, vegetables to be judged on June 11 are lima beans, sweet corn, beets, peas, string beans, lettuce, carrots and radishes.

Just Raccoon, Not Panther

A hillside resident early Monday phoned Sierra Madre police thusly: "There's a black panther up a tree here trying to kill a cat."

Sgt. H. A. Christiansen responded pronto.

He found "the black panther" in reality just a mother raccoon, up a tree, and feeding her two cubs a midnight snack.

Everyone went back to sleep, including Mom Raccoon after she finished her feeding chore.

For 42 Heroes

Memorial Day Rites At Cemetery

Sierra Madreans will observe Memorial Day, Monday, May 30, in the traditional manner, the observance centering about Sierra Madre Cemetery where at 10 a.m. the Veterans of Foreign Wars, Harry L. Embree Post No. 3208, will conduct memorial services for the 42 veterans buried there.

Commander B. Grover Hudson, of the post, will be in charge at the ceremony, with the Rev. Ray E. Hansen, pastor of the Shepherd of the Hills Lutheran Church, giving the address.

Gold Star Mothers present will be honored, with the VFW Ladies Auxiliary, Mrs. James C. (Barbara) Heasley Jr., president, also taking part in the observance. A salute of rifle fire over the graves and taps will conclude the memorial.

MEMBERS of the Ladies Auxiliary will decorate the graves Sunday afternoon at 3 o'clock.

The Wistaria Flower Shop has donated flowers for this purpose but more are needed. These may be left at the VFW Clubhouse, 40 E. Montecito, Saturday afternoon or Sunday.

Commander Hudson issues a special appeal to help further in the cleanup of the cemetery this Sunday, beginning in the morning.

STRONGEST contenders at present should be the Senators and White Sox, the latter coached by Jim Fisher.

State Board To Set Date For Fall Vote

A last-ditch effort calling for delay in reaching a decision failed and the Sierra Madre School Board of Trustees at a special meeting Monday night voted 4 to 0—one of five members, Claude H. Brown, abstaining—to approve the Citizens Educational Advisory Committee's recommendation that Sierra Madre annex to the Pasadena School District, rather than unification through creation of a school district of its own.

This means that the decision of the Board of Trustees will be submitted to the County School Board next week, probably on June 1. The latter, in turn, will submit its recommendation to the State Board of Education at Sacramento, and the latter will set a date for the election which probably will be next October when the voters will approve or disapprove annexation.

THE SCHOOL BOARD

of Trustees vote came after two hours of deliberation in which the views of the majority and minority of the Advisory Committee were heard. The committee had approved annexation 14 to 3. Brown and Art Albertson of the Board of Trustees argued for delay. Mrs. Clark T. (Marrie) Casey, Hugh F. Colvin and Joe Bush, president, favored immediate action. Mrs. Casey argued that the matter had been pending several months, the Advisory Committee had reached its decision, and further delay was inexcusable.

School Supt. Robert Walker also spoke in favor of annexation.

When the vote ensued, Bush, Colvin who made the motion for approval, Mrs. Casey and Albertson voted "Aye," with Brown abstaining.

Speaking for annexation were Mrs. Casey, Mrs. Lester R. (Margaret) Anthony, chairman of the City Recreation Commission; Mrs. John Bush, Lawrence C. Bevington, city administrator, John H. Curtis, president of the Sierra Madre Chamber of

Commerce, and several others.

SIGNING A STATEMENT opposing annexation and favoring a junior high school in Sierra Madre were Mrs. Claude H. (Elena) Brown, Mrs. Carl (Peggy) Cheadle, Mrs. William Bennett, Mrs. Henry H. Danowsky and Robert M. Leonard.

This statement, read by Mrs. Brown, contended "that Sierra Madre could have a superior high school with superior teachers if the people of Sierra Madre have the vision and the courage to create their own system and use criteria other than the dollar sign and quantity of courses to judge the value of a high school system."

It asked for a further study of the two possible systems and of possible sites for a junior-senior high school in Sierra Madre. Sites were suggested.

PROPOSANTS, however, indicated that while educational costs of the two proposed systems varied little, the educational advantages of annexation to Pasadena

Toyon Subdividing Again Rises to Plague Council; Another Hearing June 14

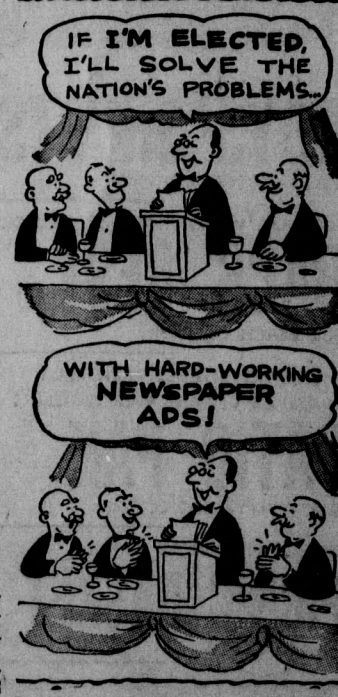

Toyon Rd. rose to plague Sierra Madre's City Council Tuesday night.

Two weeks previously Council overrode the weeks-long contentions and pleas of property owners in and about the old Lewis tract and granted a subdivision right to the Prescott Company of Pasadena.

At its last meeting, the Planning Commission recommended zone changes on parcels in the Toyon Rd. area from R-1, or 7,500 to 11,000-foot lots, to R-1-15, or 15,000-foot lots, as requested by the property owners and in line with recent developments in Los Angeles and other cities facing the hillside lot problem.

It also recommended similar changes on three small parcels on E. Sierra Madre Blvd., from M-1 to R-P; on a property northerly of the intersection of Camillo St. and Foothill Ave., from R-1 to R-1-15; and on five parcels on W. Orange Grove between Hermosa and Lima from R-1 to R-1-15.

BITTER WORDS were bandied about at Tuesday's largely attended meeting when City Atty. Charles Martin emphasized it was hardly possible to revoke Council's action in granting rights to the subdivider. City Administrator Lawrence C.

WE'VE BECOME MORE EFFICIENT GERM SPREADERS

In the past we caught a relatively small number of blinches. They were more apt to be fatal or last longer... but there wasn't the variety. Today, due to the automobile and larger urban areas, we expose ourselves to strangers' germs more often. Fortunately, new drugs and medications make us better equipped to fight these ailments than those of the past. For prompt, dependable service, bring your prescriptions to us.

Lloyds' Hawaiian Garden Will Be Opened Next Week

Mr. and Mrs. Gordon Baker Lloyd, widely known Sierra Madre residents, are opening their Hawaiian garden again this year for residents of the surrounding area. Opening will be on Monday and Tuesday nights, May 30 and 31, from 8 to 10 p.m. Evening openings are necessary in order to give the proper effect for the new black light lighting and other new features for this year.

Home makers will enjoy seeing such features as a complete set Hawaiian Luau, a special fire pit that anyone can make, rain garden, and many new added features that are definitely take-home ideas for anyone.

The Lloyds have just come from a successful tour of "make it Hawaiian," showing what they have done in the studio house in Sierra Madre. The popularity of the program was due entirely to the simplicity of the Lloyds' ideas and the use of "junk" in the making of the many effects.

ANY SPECIAL GROUP or balance wheel.

Again attention is given to the fact the garden is not open during the day time or at any other time except by special arrangements. The address is 268 E. Sierra Madre Blvd., in Sierra Madre.

Arcadia League Installation Luncheon

"Jewels of Service" was the theme for the installation ceremonies of the Assistance League of Arcadia at its annual luncheon meeting held Tuesday in the Terrace Room at Huntington-Sheraton Hotel.

Mrs. John H. Saunders, outgoing president, presided at the meeting which saw Mrs. Edward Maupin installed as the new president. Mrs. L. Lydick, regional council chairman and past-president of the Arcadia Chapter, was installing officer.

Many beautiful jewels, including amethysts, diamonds and pearls, were represented in the ceremony and decorations. Each incoming officer was presented with a key chain ornament symbolizing the duties of her particular office and each guest found a jeweled match box to mark her place at the table.

Officers installed with Mrs. Maupin were Mrs. Earl N. Welch, first vice-president; Mrs. Russell Graham, second vice-president; Mrs. Frank Spencer, recording secretary; Mrs. William R. Baugh, corresponding secretary; and Mrs. R. W. Scarborough, treasurer.

Cecelia Sue Enter Weds William L. Thomas May 5

White glads and stocks were used to decorate Sierra Madre Congregational Church May 5 when Cecelia Sue Enter, daughter of Col. and Mrs. Ted Edward Enter, former Sierra Madre residents now making their home in Long Beach, Calif., exchanged nuptial vows in a double ring ceremony with William LeRoy Thomas, son of Mr. and Mrs. L. W. Thomas of Downey, Rev. George Lindsay officiated.

The bride, given in marriage by her father, chose a white silk organza, with white satin embroidered flowers, gown fashioned with a fitted bodice and full bouffant skirt which swept into a chapel train. Her fingertip illusion veil, bordered with Chantilly lace, fell from a tiara of pearls. She carried a bouquet of lily of the valley and white carnations.

The maid of honor, Virginia Davis of Sierra Madre, wore a soft green silk organza frock and carried a bouquet of pink carnations.

Jim Nickoloff Receives YMCA Swimming Award

Jim Nickoloff, son of Mr. and Mrs. James A. Nickoloff, 311 San Gabriel Ct., was recipient of the Pasadena YMCA Annual Coaches' Award for the year's outstanding swimmer. The presentation was made at the annual "Y" awards dinner.

At the Southern California Championship Meet in San Diego, where 500 boys participated, he received a medal and ribbon. Jim, a sixth grade student in Sierra Madre school, is 12 years old. His father promised he and his brother a trip to Hawaii if he placed in any of the San Diego events.

Since he "qualified" for his Dad's award, he and his brother, John, a fifth grade student at Sierra Mesa, will be leaving for the Islands, when school closes, to visit family friends.

'Above and Beyond' Is Theme For Pasadena Commencement

"Above and Beyond" is the theme selected by the graduation class presidents for the 1960 Rose Bowl Commencement on Thursday, June 16, at 6:45 p.m. There will be 3,000 students in the 71st Graduation Exercises of the Pasadena City Schools.

The candidates for graduation represent John Muir High School, Pasadena High School and Pasadena City College, including the nursing graduating class of the college. College graduates will be awarded the degree of Associate in Arts.

The theme will be highlighted in the talks by the class presidents, the valedictorians, and the superintendent of schools, Dr. Robert E. Jenkins. Board of Education president, Mrs. LuVerne La Motta, will award the diploma of graduation and confer the degrees.

Graduates will receive their diplomas in a coordinated plan of marching and distribution under the leadership of Miss E. Suzanne Macauley. The music program will be directed by Dr. H. Leland Green. Leonard Perry is the script adviser for 1960.

The academic procession will include the nurses in

uniform, high school graduates in white caps and gowns, college students in blue caps and gowns, and school officials in the traditional black academic costumes.

Commencement exercises are open to the public without charge. Tickets are used for convenience in seating the audience, but they are not required. Tickets may be obtained at the College Bank at Pasadena City College, the offices of the high schools, the Education Center at 351 So. Hudson Ave., and at the City Hall and Chamber of Commerce.

There will be public shuttle bus service by Pasadena City Lines from the northeast intersection of Colorado Blvd. and Fair Oaks Ave. to the Rose Bowl beginning at 6 p.m. on the evening of the exercises. Buses will return patrons from the Bowl to Colorado and Fair Oaks after the ceremony.

Following the exercises, the graduation proms of the high schools and college will be held at locations selected by the individual school classes. School officials will gather at the Hotel Green for the traditional Commencement Supper.

Dr. and Mrs. George W. Groth Jr. were hosts last weekend at a party for all personnel of Sierra Madre Hospital and Sierra Madre Medical Group, at their ranch near the little town of Ramona.

Some 60 guests arrived Saturday morning and were taken on a tour of the 400-acre spread and introduced to the intricacies of hog farming and cattle raising.

The group returned to the ranch for a barbecue luncheon and spent the afternoon swimming in the pool and relaxing in the patio area.

Following dinner, the guests were organized into squares for dancing with a professional caller, Slim McInroe of San Diego, calling the turns.

Among those taking part in the dancing were Mr. and Mrs. Hans Gutierrez, Mr. and Mrs. Homer Spriggs, Mr. and Mrs. Dean Johnson, Mr. and Mrs. Ray Jones, Mr. and Mrs. Joe Di Miceli, Mr. and Mrs. Larry Lomax, Mr. and Mrs. John Shea, Mr. and Mrs. Jud Miner, Mr. and Mrs. Robert Hopkins and Mr. and Mrs. Charles Verrill.

Children's Dance Group Alert Police To Perform

"The Little Hot Shots," a folk dance group open to boys and girls 2½ years through fourth grade and under the direction of Mrs. Lou Price, will appear at the Great Western Show, 2120 S. Eastern, Los Angeles, on Saturday at 2 p.m.

Mrs. T. A. Williams, sponsor, and Mrs. Lillian Schall, co-sponsor, have announced all those children enrolling now through June, will be eligible to appear with the group at the Pomona Fair.

The class meets the second and fourth Monday afternoons of each month, from 3 to 4:30 o'clock, at Jefferson Recreation Center.

Tidal Wave Alert Police

Sierra Madre police were alerted early Monday by an emergency message from Harold G. Robinson, California Disaster Office director, concerning tidal wave possibilities following the death-dealing Chilean earthquakes.

The message, flashed through the U.S. Coast and Geodetic Survey, indicated possibilities of heavy tidal waves at La Jolla, Long Beach and San Francisco.

Fortunately, the tidal waves failed to materialize though higher ocean water was recorded at Long Beach and San Francisco. In case of tidal waves or earthquakes, help of police from this entire area, including Sierra Madre, is requested.

Say what you want to about our telephone service, some of us receive some unusual benefits from those instruments. For instance, Norm and Dorothy Shanks tune in KWKW on their phone. The only thing is, sometimes they aren't in the mood for music with their conversation and they can't tune it out except by hanging up.

With the residents almost solidly members of the Hastings Ranch Improvement Association, the many small and large business firms in the ranch are being contacted to join.

JACKIE Williams has the solution for all you gals that have the unlimited pep and enthusiasm of small fry to contend with. She is sponsor of a folk dancing group, "The Little Hot Shots," that includes youngsters from 2½ years through the fourth grade. For those of you who would like to "channel" this exuberance in the right direction, call Jackie at EL 5-8377 and enroll the kids. She says it is remarkable how fast the young ones learn the colorful dances and the enjoyment they have doing it.

THE CLUTTERBUCK home has been very much the party spot of late. Betty was hostess at a surprise party for Dorothea Pollak, the well-known vocal instructor of the adult education program at PCC. Among the 18 students on hand to wish her well were Mary Cuccia, Betty Bauer, Connie Woods, Victoria Avis, Jerry Kaylor and Melva Martindale. Horace entered the picture when he played host to a barbecue where co-workers of his, in the lab at Arcadia Methodist Hospital, came for fun and food.

closed-door broiling. Only gas lets you broil with the door closed and allows the live flame to consume smoke and spatter. Naturally, your kitchen stays cool and clean—and the meat you cook has that delicious, flame-kissed flavor. Constantly circulated and uniformly heated fresh air seals in natural juices and goodness. No wonder 9 out of 10 Southern California women cook with gas. The new gas ranges do so much more. And remember, they cost less to buy and install, less to operate, too!

As we pause on the eve of another Memorial Day it gives one cause to speculate as to what our soldiers would say if they could but rise from their resting place won in the honor and protection of their countries.

What mockery has been made of their supreme sacrifice. Why, as history repeats itself, must men be born to be enslaved by tyrants hungry for power. How could peoples all over the world embrace a mad hysteria such as Communism?

Why do they sell their right to come and go as they please to a government that looks on its people as fodder born only to feed the fatted calves?

Have they bred a race of people that know no emotion but fear and acquiescence to a Pied Piper government which has no respect for human decency and honor?

They are indeed to be pitied and prayed for. There are millions of people who will know no life except that of bondage unless somehow within their confused hearts they can find the courage to rebel within the confines of the countries that have so cruelly used them.

THE HOME of the W. H. Dunnington on Barhite was a fairland last week as the Pasadena Alumni of Pomona College decorated it for their annual spring luncheon.

Parasols and tables decorated the garden and pool area as models paraded around the pool in a Hato-rama style show. The hats were all created by Deri Springer, who of course has the ultimate in vacation designs.

She showed 45 different models with a commentary to identify each. There were 75 guests present at this final meeting until fall.

MR. AND MRS. C. F. ROBINSON of Calvert Road had the pleasure of having Dr. and Mrs. Gerald E. Kron as house guests last week. The Kron are both astronomers at the Lick Observatory at Mt. Hamilton for the University of California.

One evening the Robinsons entertained Dr. and Mrs. O. C. Wilson of the Mt. Wilson Observatory and the following night they had a dinner for the Kron that included Mr. and Mrs. Norton Bell and Mr. and Mrs. Robert Parker.

JEANNIE PHILLIPSON, daughter of Mr. and Mrs. Joseph Phillipson of Old House Rd. celebrated her 8th birthday anniversary last Saturday with a trampoline party. Needless to say everyone had a bouncing good time, if slightly shook up.

Her guests were Gretchen Garland, Chrissy Crane, Melissa Mueller, Molly and Peggy Clark, Debbie Maurin, Susy Becker, Beverly Barlow, Libby Brydolf, Frances Kingsley, Valerie Wright, Ellen Gordon, Carlene Keirn, Gayle Sanborn, Suzanne Weiss, and Kim McKulka.

MR. AND MRS. GEORGE HOLMES were given a farewell dinner party last Friday night at the home of Mrs. Harold Zook on Trevan Rd.

Her co-hosts were Mr. and Mrs. George McRoberts, Mr. and Mrs. John Hawkins and Mr. and Mrs. Ed Mohr.

Guests were Dr. and Mrs. Jack Paschall, Jr., Mr. and Mrs. Howard Morgridge, Mr. and Mrs. Dennis Hogan, Mr. and Mrs. Robert Hansen of San Clemente, Mr. and Mrs. Raymond Rogers, Mr. and Mrs. Maddy Meredith, and Mr. and Mrs. D. G. R. O'dell.

HAVE YOU EVER looked up over New York Dr. and wondered who lived in the home that overlooks the world. Well, they are the V. Richards, and now the weather is turning to summer again their home has been and will be the scene of several parties for the entire family.

They started out just recently with a party given by their daughter Rozann for a school chum, Judy Rice, on the occasion of her birthday anniversary. The party coincided with "Bowl and Sucker Day" at school so the entire group was in costume.

By entire group, I mean 50 or more. They danced and played games on the terrace and I might add, consumed a prodigious amount of hamburgers, hot dogs, potato salad and the "fixins." It was such fun to drive by and observe the happy time they were having.

Almost immediately following that party, The Richards gave a surprise "Aloha" party for Mr. and Mrs. Lewis Cummings who are by this time in Hawaii. There were 24 guests to wish them on their way. The dinner that evening featured bar-b-que'd chickens and the entertainment was authentic Hawaiian dancing.

'Los Senors de la Sierra Madre Toastmasters Dine a la Mexico'

By Vic Harris

Ever been to Mea-he-co? You should have gone along on the verbal trip that Sierra Madre Toastmasters took on Wednesday, May 11. The first outdoor cookout summer meeting draped itself with the colorful hues of old Mexico—epicurean quality food, authentic to our friends down south of the border, prepared and served by our own Area Governor Frank Dow Wright, Chef Laureate, was thoroughly enjoyed by all.

Table topics (the extemporaneous portion of toastmastering) under the delightfully witty M. C'ing of John Taylor, led the group into a vicarious tour of such fascinating places as Cariboca, Ermacillo, Najaha, La Mohas, Taixpan, Puelba and Lorado. Holla!!

Concluding the formalities of the evening, John "The French-Mexican" DuBois passed in review the thoughts and expressions of the first four speakers. DuBois comments very decidedly showed Old Mexico in the clear light of—somewhere? Mexico.

The generous merchandise order presented by our specially invited guest, Marshall Mendall, owner of Sierra Madre's "Happy's" Liquor Store, was awarded to Toastmaster Jim Wentz—all this and swimming too! Hosted by the gracious Jim and Phyllis Wentz of Pepperhill Dr. Carumba!!

Girl Scouts Have Beach Weekend

Mr. and Mrs. Eldon Osborn and their daughter, Jane, hosted a recent week-end of fun and a slumber party at their Corona del Mar beach home, for 21 members of Girl Scout Troop 323. They were assisted by Mrs. Paul L. McGiven, Mrs. Arthur D. Welsh, Mrs. Walter Burke and Mrs. Victor Harris.

Activities during their stay at the beach cottage included swimming, sailing, rowing, motorboating and the collecting of sea water life.

This outing marked the culmination of the troop's activities for the year which incorporated Scout work towards Curved Bar Rank. Formal recognition of their accomplishments will be made at a Court of Awards June 4.

Refreshments were served by the hostesses, Mrs. Richard S. McClain and Mrs. Matthew Slavin III.

Annexation Vote
(Continued from page 1)
transcended anything that a unified Sierra Madre district could offer; also that it is doubtful if Sierra Madre voters would approve by a two-thirds majority any bonding issue with which to construct a junior-senior high school.

Dr. Fred Bewly of the Los Angeles County Schools organization explained the procedures necessary to get the proposal before the County Board and the State Board of Education, with June 1 the deadline if a vote was to be assured this fall.

Council Meeting
Continued from page 1
Bevington and Martin were often targets of recriminatory words from the Toyon delegation.

Mrs. Art (Maudie) Raphael, of 171 W. Grand View, rapped the city administrator for his original espousal of 21 houses on the proposed tract, many of them of 7,500 feet. Subsequently, these were reduced to 17 lots ranging from 7,500 to 11,000 feet, but none of 15,000 feet. Erosion and health conditions were other causes advanced by the Toyon residents as reasons why the subdivision should not be granted.

Councilman Severin L. Sorensen, who voted against the proposal two weeks ago, and who then condemned Council's action as "pushing something down the people's throats," sought means of adjusting the difficulty. The result was a hearing on all four proposed zone changes set for June 14.

CHAIRMAN PAUL BAUMANN of the hazardous fire area committee reported that since 1907 there have been 48 fires in the area, 17 of which were outside the National Forest boundary, eight inside and 23 in both territories. He added that none of the fires which invaded the National Forest started within the Sierra Madre city area. The committee will have a further meeting with Fire Chief Charles E. Brown and Fire Marshal Bert Embree, and report back to Council.

With Atty. Donald Odell appearing for the Martin property owners at 510 Manzanita Ave., Council overrode a decision by the Planning Commission and granted permission for a lot split which will allow erection of a new house on 50 feet of the property or its sale.

Second reading of an ordinance which would require that before any building permit is issued the street in front of the lot be improved to certain standards provoked a hassle in which Atty. Noren Eaton charged that the proposed ordinance is obscure and difficult to understand. He attacked the word "deterioration" as contained in the proposed ordinance and asked for specific language in ordinances rather than their interpretation "by an individual." This was a direct slap at City Administrator Bevington. Councilman Sorensen's suggestion that the proposed ordinance be held over for further study was adopted.

PLANS and specifications for the N. Mountain Trail, N. Baldwin and Esperanza sewer districts also brought lengthy discussion. It was recommended that resolutions approving the plans and setting up the assessment districts be adopted. Council, however, decided on public hearings on July 12. Charges for copies of public records, such as photostats, will be worked out by the city administrator and reported at the next meeting.

The three-hour time limit on the N. Baldwin parking lot was ordered removed. There is now no time limit on appeals relative to lot splits. An ordinance providing for a 15-day time limit was passed on first reading. The Canyon fire station project was put over until after the next budget, now being formulated, is out of the way.

Keating Death

and later transferring to the Royal Flying Corps. He was in service 31 months. Following the war he had a yen for travel, this including the crowded cities of Hong Kong and Shanghai. Returning to America after his travels in many foreign lands, he settled in Sierra Madre.

When he started in the postal service, the Sierra Madre post office was in a small building on Baldwin. Later, Mr. Keating transferred with the new offices to Sierra Madre Blvd. When he began work here the city had a 2,500 population. Now it has almost 10,000.

A NATIVE of England, he had been a California resident for 59 years. Surviving are his widow, Mrs. Marie P. Keating; a son, Dennis M. Keating; Sierra Madre; a daughter, Patricia C. Keating, with the United States Air Forces in England; and the following brothers and sisters, Henry Keating, Orange; Walter Keating, Pearlblossom; Helen Keating, Sierra Madre, and Mrs. Elvera Keating of Los Angeles.

Private funeral services will be held at 11 a.m. Monday in the Ripple Mortuary Chapel, with the Rev. George W. Lindsay, pastor of the Congregational Church, officiating. Committal was in Pasadena Mausoleum.

teur, have filled out applications and have joined the group," said John H. Curtis, president of the local Chamber of Commerce, sponsoring the theater organization. "We are happy at the local interest shown," added Curtis, "and feel fortunate at having such a splendid turnout of professional and semi-professional talent."

"The doors are open, of course, to persons of all ages regardless of theatrical experience. All interested persons are urged to attend the first reading and participate in the tryouts."

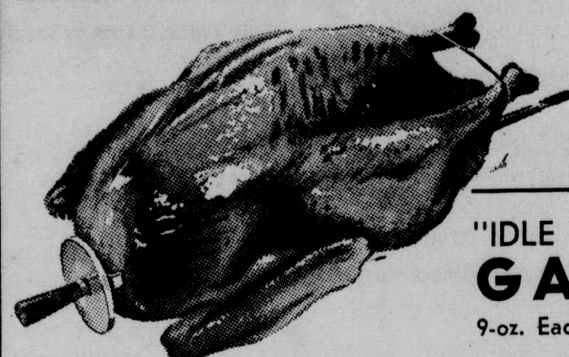

A wide variety of productions will be undertaken, including musicals. One of the first goals of Sierra Madre group will be the improvement of the Sierra Madre School Auditorium, especially the stage, with the installation of a drop curtain.

Application blanks for membership in the theater group or participation in any of its activities may be obtained at the school tryout or at the Sierra Madre Chamber of Commerce office, 66 W. Sierra Madre Blvd., or by telephoning ELgin 5-7141.

Anti-Narcotic Drive Headed By Crawford

Harry J. Crawford, first vice president of the Pasadena Bar Association, has been appointed chairman of a special committee to furnish local leadership in the all-out drive of the California Elks Lodges against the illicit narcotics traffic, it was announced by Dr. Eugene P. Weigand, exalted ruler of Pasadena Elks Lodge No. 672.

Crawford, past exalted ruler of the Pasadena Elks Lodge, has accepted the responsibility of "seeking the support of the judiciary, legal profession and all civic-minded citizens" to obtain strong laws at the next session of the Legislature that will "put the narcotics gangsters out of business."

"Despite a petition signed by 1,500,000 citizens of California, asking for action at the 1960 session of the California Legislature on strengthening the anti-narcotics laws, the state Senate failed to heed this plea," according to Crawford.

"Recently, the Governor's Committee on Narcotics has announced they will seek Federal aid as a first step toward ending the illicit drug importation. This action is all right in its place but it should not be the first step in our opinion," Crawford said. "The first action should be the strengthening of the anti-narcotics laws at the California level and a push for immediate enforcement of these new laws."

Crawford will shortly announce membership of an area committee dedicated to stamping out illicit narcotics traffic. This over-all committee will draft a legislative program, he added.

Falcon Is Selling 'One-a-Minute'

Sales of the Ford Falcon have averaged more than "one-a-minute"—24 hours a day—for every selling day in 1960 to give the Falcon a lead of more than 6,500 units over its nearest competitor in the compact car field.

The Ford Division said that through May 10 Falcon sales totaled 165,489, or 1,491 units for each of the 111 selling days in 1960.

The "one-a-minute" sales pace also has established the Falcon as the industry's third best selling line.

Fifth Generation Of Californians Pioneer Days Aim

There's an exciting weekend in store for any fifth generation Californian, according to reports out of Crestline, high in the San Bernardino Mountains.

The mountain community, looking forward to their Second Annual Pioneer Trail Days on July 16-17, is going all-out in its search to find fifth generation Californians.

President of the Chamber of Commerce, Jim Husky, says, "Our school will be 100 years old this year. What we'd like to find is a person whose distant ancestors attended the first little shack. However, it's tough enough finding anyone whose California background covers 100 years."

There are no restrictions as to sex, age or race. All that has to be done is drop a postcard to Jim Husky, Crestline, Calif., and the arrangements will be made to assure a glorious July weekend for California old-timers. On the card, be sure and give your phone number.

May we walk in Thy sight and Thy light, O Father,
for the benefit of Thy spirituality, Thy cause and our
humanity.

This Republic of Ours— What Does It Mean to You?

In this land of ours—this Republic of the People—will we continue to walk erect—heads up and unafraid, and ever more sensitive than we have been to our individual responsibilities for American freedom?

Or has this land—this dream of Washington, Jefferson and the immortal Lincoln—reached its course—reached the dread futility of a dead-end street?

If and when the United States does fail, do we realize that this would be brought about by the Communists among us who have their own organization founded on the precepts of Communist world dictatorship and so-called "proletarian internationalism," ready to step in and seize control of our government from the Capitol in Washington to every precinct government in the land.

Do employees of American manufacture and business realize fully that production, uninterrupted, is the keystone of American progress—and defense—that they should do nothing in the way of strikes, secondary boycotts and idling to impair or destroy this production?

And do our manufacturers and businessmen, some of them yelling for more trade with Soviet Russia and Communist China, realize that this would be "aiding and abetting" our enemies, Moscow and Peking, intent more than ever despite "Summit Conferences" on our destruction as a democracy?

These are questions—vital questions—loyal Americans may well ask themselves at this Memorial Day season.

WILL THIS NATION continue to be governed by the people and for the people, through their duly elected representatives, and not become the selfishly motivated vehicle of confiscatory, oppressive and extravagant Big Government? There has been too much of that in late years.

Will America continue to exemplify the freedom of the individual, or will it bow abjectly to the insidious inroads of Leftists, Pinks and eventually Communists boring from within and insistently intent on destroying entoto the Freedom of Mankind?

Will our much-vaunted system of education be continually weakened by a pseudo-Liberalism, instead of a Constructive Liberalism, until it becomes termite-ridden with the "charlotic heralds" of Totalitarianism, crippling and upending the hardy, resolute Personal Freedom that has sparked and "incentived" our epoch-making progress and which has provided us the highest standard of living in the world.

Make no mistake—that highest standard of living now stands imperiled—from without and from within.

WILL OUR PRESENT industrialism in which Private Enterprise permits the worker of today to become the boss of tomorrow, be obliterated by a Fabianism in which all workers descend into the nothingness of mere puppets—and slaves—of a regimented and tyrannical Police State? Will we Americans, through slothfulness in thinking, a refusal to face facts and self-discipline, a gradual, sliding surrender of those inherent spiritual qualities which have marked our progress now through almost two centuries of Freedom, through an inclination of license and not obedience to our own created laws, through vicarious entertainment and doubtful pleasures, often salacious and licentious—of figuratively becoming "too fat about the belly"—put our Freedom on the auction block of history and barter it away for the ugly, desolate pinnacles of Communism?

THERE ARE MEN and women in America who are working toward this end—selfish men and women enamored of power and ruthlessly seeking the baubles of atheistic sovereignty that would set back the clock for centuries and plunge us pell-mell into another Dark Ages.

J. Edgar Hoover and his G-Men know who many of these plotters and spies are. But they need the support of every loyal American to prevent further damage to our Freedom. And that Freedom already has been damaged.

There are men similar to Alger Hiss, Harry Dexter White, Dr. Karl Fuch, the Rosenbergs, those who delivered us to the Reds at Yalta and in China, those "Fifth Amendments" who hide behind trumped-up pleas of "Loyal Dissent"—these and others who are traitors to the American Freedom which hundreds of thousands of employees and employers cherish next to their belief in God, but for which many of us have become callously careless.

Carelessness? Yes! But these are no times to become careless when the Freedom of this land and others is at stake. Eternal vigilance is still the price of liberty. And ever will be.

SHALL WE CONTINUE to tolerate, even encourage, the agents of American doom who mingle so freely among us, and in high places, even in Washington?

Shall we lack the determination, the insight—and the Yankee stubbornness and might—the genuine and not make-believe love of Freedom, to stand up to Khrushchev, Mao and their Communist plotters in Soviet Russia and Red China, and declare with solemn meaning and through conviction, "The Line of Your Autocracy Stops There?"

For unless we do and cleanse our own land of Red plotters, we shall lose our Freedom—the last bastion of Freedom in a darkened world.

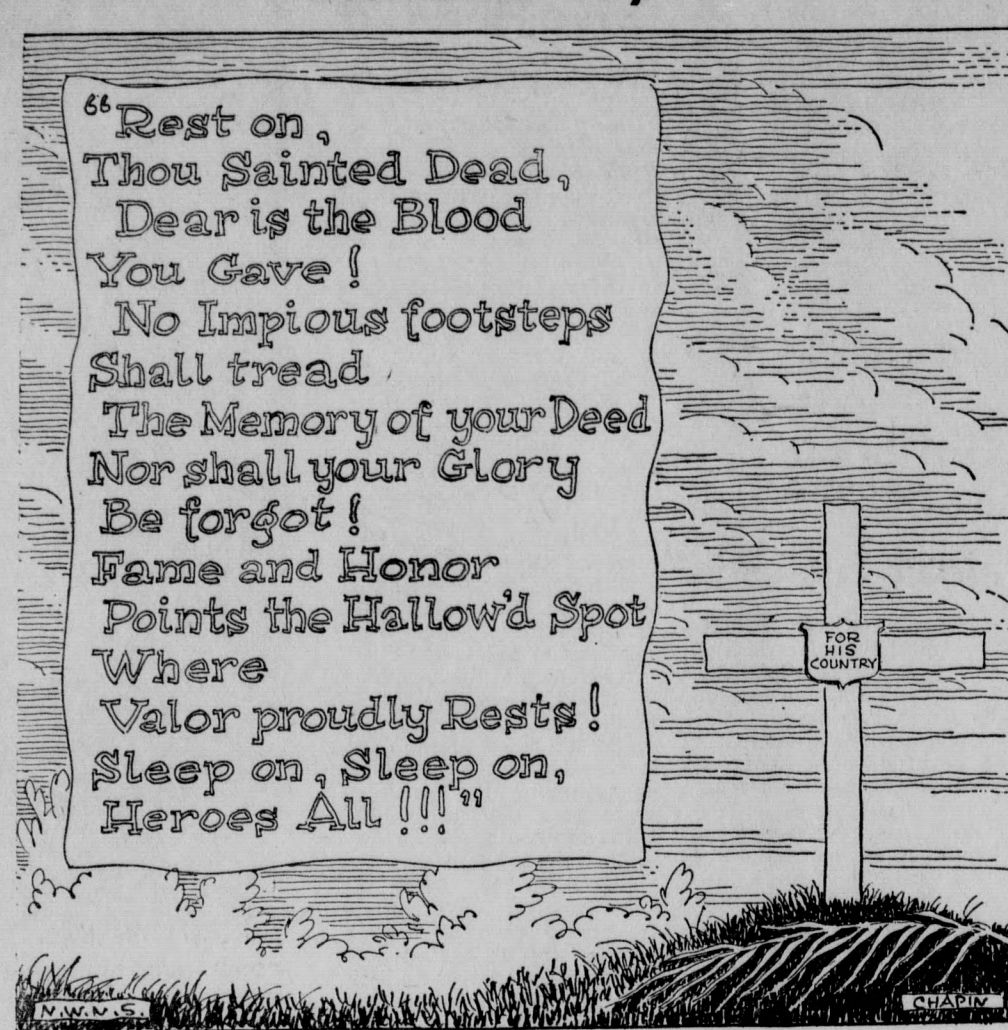

At this Memorial Day observance we need to be reminded that the lights of Freedom are going out faster than we think.

Nixon and Khrushchev

Considering his disastrous blowup at the Paris Summit Conference, it would appear doubtful if the Arch-Communist Nikita Khrushchev could ever do the American people a favor. Nevertheless, he has.

In branding California's Richard M. Nixon as "unfriendly and unacceptable" to Red Russia, Khrushchev, in effect, has recommended the Whittier Quaker to Americans

Memorial Day

OUT OF THE COBWEBS

41 YEARS AGO THIS WEEK, May 30, 1919—Sierra Madre's home talent play, "The Passing of the Third Floor Back" by Jerome K. Jerome, will be presented Saturday of next week (June 7) at the Woman's Clubhouse. In the cast are Helen Williams, Walter Wright Alley, Avis Preston, Laura E. McDaniel, Edith Blumer, Mrs. Milton Steinberger and Elliott Rhodes Sr.

F. W. Neutzel, vice president of the First National Bank, will attend the State Bankers' Convention at Avalon, Catalina Island, the last of next week.

Miss Lavina Ashworth of 2120 Elliott St., Long Beach, is spending a few weeks with Dr. May J. Culbertson.

20 YEARS AGO THIS WEEK, May 24, 1940—Climaxing several days of pre-Memorial Day observances at clubs and schools in Sierra Madre will be the annual Memorial Day parade which will assemble at Sierra Madre Blvd. and Baldwin Ave. at 9 o'clock.

It will be a brilliant occasion, with the Stars and Stripes leading the line of march, followed by Sierra Madre's Legionnaires, Veterans of Foreign Wars, Boy Scouts in khaki uniforms, and Girl Scouts and Camp Fire Girls in uniform.

Fourteen organizations and groups will be included in the line of march which will follow E. Sierra Madre Blvd. to the cemetery for a Memorial Day program.

"God Bless America" will be the opening song at the cemetery followed by an invocation by Maj. J. B. Lunville, post chaplain. The address will be given by Dr. W. B. Haggerty and St. Rita's and the grammar school pupils have prepared songs. Commander Lloyd B. Welch of the American Legion will read the list of departed comrades, followed by a prayer by the Rev. W. R. J. N. Storm. Taps will be

as their best possible candidate for the Presidency of the United States.

Khrushchev, of course, refers to Nixon's forthright remarks to him at the American Fair in Moscow last year in which our vice president bluntly and forcibly told the Soviet premier that he was all wet in his conception of Americans and America.

Back of that, naturally, lurks Khrushchev's recollection of how Nixon's persistency led to the unmasking of Alger Hiss and other spies whom Moscow had planted in our midst.

American voters loyal to our nation and the freedom for which it stands, will vote all-out for Dick Nixon, an all-out American who would be an all-out American President.

Forest Fire Warning

The hot weather season, with its blessed tradition of vacations, travel and camping, is upon us, but on its halcyon horizon there is a dark cloud, a smoke cloud that is, smoke from fires that may, if they are allowed to start and spread, prove disastrous to California's magnificent forests.

This is the word of U.S. and California foresters and fire-fighting experts, one that will be echoed by Sierra Madre's valiant Search and Rescue Team. Last year's fires burned 381,792 acres. We have had two successive years of below normal rainfall in critical areas, including our own Angeles National Forest. During those years we have had 8,898 man-made fires.

These statistics should provide a healthy warning for everyone who works, lives or plays in the forests and wildlands. It's fine to be fired up about your vacation—just don't fire up the place where you play.

Sheriff. The firing squad will be in charge of Commander played by post buglers.

10 YEARS AGO THIS WEEK, May 25, 1950—Wilfred C. Humphries, one of the early settlers of Sierra Madre, passed away Sunday, May 25, in Pasadena. A native of Bath, England, Mr. Humphries has been ill for two years. He came to Sierra Madre in 1893 with his parents, Mr. and Mrs. George Humphries, and his sister, Mr. Humphries was active in social and business affairs in Sierra Madre for several years. While in this city his principal activities concerned real estate and insurance. A former newspaperman, Mr. Humphries was a correspondent for the Los Angeles Times before World War I.

In observance of Memorial Day, Sierra Madre's three schools will declare a holiday Tuesday, May 30. All three schools—St. Rita's, Ascension and City, will close on Tuesday in honor of the nation's dead. The Chamber of Commerce announced that Sierra Madre stores will close Tuesday.

Extensive damage to a house, furniture and clothing resulted from a bedroom closet fire Tuesday afternoon. Volunteer firemen answered the alarm at the J. E. Hawkins home, 491 W. Montecito, and quickly extinguished the fire.

5 YEARS AGO TODAY—May 26, 1955—Sierra Madre will observe Memorial Day, May 30, in a series of ceremonies beginning with a parade downtown at 10 a.m., and climaxed with a community mass meeting at City School Auditorium, 141 W. Highland, beginning at 8 p.m.

The invocation at the Sierra Madre Cemetery observance will be given by the Rev. Harley G. Smith Jr., of the Episcopal Church of the

Ascension, followed by a speech by Col. Walter Thurber. After the Roll of Honor has been read, a squad of honor will fire its salute followed by Bugler Charles A. Phipps sounding taps. The observance will be concluded by the benediction given by Father Thomas O'Malley of St. Rita's Church.

The memorial mass meeting at City School Auditorium in the evening will be addressed by Mayor Charles H. James, Col. Thurber, Journalist Lee Shippey, Rev. Robert N. Schaper, Dr. Crawford W. Brown, Dr. G. Pardon Done and the Rev. George W. Lindsay.

Letters to The Editor

Dear Editor:

My husband and I will start our return drive back to Iowa tomorrow after a most enjoyable two-month vacation in the Pasadena area.

We have found the people in California to be most friendly to visitors. Your motels are clean and well kept. Your churches welcome you as if you were an old member.

One of the most interesting, appealing places for us was Eastern Pasadena and Sierra Madre. The shopping centers are so clean and well stocked with just about anything you might want. Sierra Madre stores would do justice to cities much larger. We enjoyed the nice lawns and gardens, both private and public. The County Arboretum and Huntington Library were points of supreme interest. In fact, there are so many attractions that we could not see them all.

Please let us thank you people for an enjoyable two months and wish you continue happiness in a beautiful land.

Your Iowa visitors
—Mr. and Mrs. John Bensen.

Dear Editor:

Verdugo District, California Federation of Women's Clubs, wishes to thank the Sierra Madre News for the very excellent coverage of its activities given by your newspaper during the past year, with special thanks to Marge Thomas, women's editor, for her help and cooperation.

—Mrs. Howard Chandler President.
—Olive Francesca Alvarez Press Chairman

Dear Editor:

We of the Sierra Madre Chapter of the American Red Cross wish to thank you wholeheartedly for your wonderful support during the 1960 Fund Campaign in giving the Red Cross much needed publicity.

Due to this fine publicity, which acquainted the public with the many activities of the Red Cross in this community, and to the fine work of approximately 150 volunteers, we were able to exceed last year's figure by about \$400 and money is continuing to come in.

—Col. Charles E. Morrison, Fund Chairman.

Behind The Scenes In Business

By Reynolds Knight

NEW YORK—There's good news for resort areas, transportation industries and many other businesses catering to people with leisure time in a survey of vacation policies of many of the nation's industries.

The trend today is toward liberalized vacation rules. In many cases they provide four weeks of paid vacation for employees with 20 to 25 years of service. A major farm machinery manufacturer, which last year added the fourth week, today gives 17 per cent of its employees a month off.

A large chemical company has lowered length-of-service requirements and allows 25-year veterans to save half their four weeks in one year and take six weeks the next. Fifty-four per cent of this firm's employees now get three or more weeks off, an increase of 27 per cent since 1954.

Although such liberal policies spell tougher scheduling problems, one firm states that the growing popularity of winter vacations eases these headaches a bit.

TRUCK TREND—Business is booming for makers of small and medium size trucks. Recently published sales figures show vehicles in the 6,000-pounds-and-under gross weight classification accounted for 51 per cent of all trucks sold in 1959.

Much of this boom can be traced to a new and widened interest in "the small, light truck" that is economical to operate under multi-stop conditions and capable of efficiently carrying bulky loads of various kinds. This type of vehicle appears headed into an era of much popularity with certain types of businesses—laundry and dry cleaning firms, bakeries, repair and maintenance companies and florists.

With manufacturers' interest quickened, more and more automotive engineers have been turning their attention to light-truck design and production. The newest product of this research is a light truck developed by Renault. Taking dead aim at urban and suburban commercial vehicle needs, Renault is offering a new forward control, front-wheel drive light truck with a 4,100-pound GVW. Innovations include doors for side and rear loading, and a load bed only 14 inches above the ground level. The vehicle (in the \$2,000 price range) comes in two versions, the "Petit-Panel" and a raised-roof panel called the "Hi-Boy."

THINGS TO COME—Smog-producing smoke caused by automobile exhausts have a new and formidable enemy: an automobile maker and a chemical company have developed an anti-smog device which will enter production this fall and reportedly will be used on some 1961 model cars.

Being introduced is a "complete outdoor cooking center" to meet the needs of the most demanding open-air chefs. Using a 200-volt electrical supply, the unit has a full size oven, griddle, barbecue unit with two spits, an adjustable umbrella to provide shade. . . . A new lightweight gardener's spreader is made entirely of plastic; there's no rusting or corrosion danger if it's left out in the rain.

DOWNTOWN RENTALS DROP—Many of the nation's downtown landlords are feeling the pinch resulting from the growing popularity of shopping centers. A nationwide women's apparel chain reports getting a recent rental cut of \$8,000 a year in one downtown city area. Another big shoe chain effected a \$10,000 reduction upon renewing its lease.

One official says "owners of downtown store rental property are beginning to realize they've got to cut rents to hold tenants." One landlord in a major southern city admitted that he had been forced to halve some downtown rentals to keep stores occupied.

Early Birdsong!

Here lately I've been getting up early enough to hear the birds, and, by George, they sing real pretty in the morning. Fact is, I enjoy their golden notes so much that I've about made up my mind to get myself a slingshot and shoot the kids who shoot the birds.

—Farmer McCabe.

Your Congressman Reports . . .

Rep. Utt Would Repeal Form 1040

By Edgar W. Hiestand
Representative 21st District
California

Would you like your take-home pay to equal the figure you are required to show on your income tax Form 1040? Rep. Jimmie Utt from Santa Ana seems to have found a way to accomplish this miracle and at the same time reduce the national debt, safeguard our constitutional freedoms, bolster our free enterprise system, and cut cost of government in half. If his proposed Constitutional amendment is adopted, April 15 will be just another day in April hereafter, and you'd never be bothered with Standard Form 1040 ever again.

The proposer 23rd Amendment, as stated in H.J. Res. 23, in just 137 words would accomplish more for the American taxpayer than has been accomplished by billions upon billions of words on the millions of pages of the Congressional Record that have been printed since the 16th Amendment was enacted.

According to the figures given in support of the amendment, the 25 words in the first section would be worth about \$1.5 billion per word. Those 25 words are: "The Government of the United States shall not engage in any business, professional, commercial, financial or industrial enterprise except as specified in the Constitution."

In 1959, the cost of such government-operated enterprises cost you, the taxpayer, nearly every cent as much as the total amount the government collected from personal income tax—\$36,000 million. This sum represents the total NET OPERATING LOSSES of Federally-owned corporations, in spite of their being interest free, dividend free, rent free, and tax free, plus the cost of goods, services

and facilities furnished free by other government agencies.

The 32 words of the second section of the proposed amendment provides that: "The constitution or laws of any state or the laws of the United States, shall not be subject to the terms of any foreign or domestic agreement which would abrogate this amendment." This section would prevent the bureaucrats from using a treaty of agreement with foreign nations to accomplish that which is prohibited by our own laws.

IN 43 WORDS, Section 3 provides that: "The activities of the United States Government which violate the intent and purpose of this amendment shall, within a period of three years from the date of ratification of this amendment, be liquidated and the properties and facilities affected shall be sold."

These facilities and properties cost the taxpayer a staggering sum—\$127.6 billion to build, plus ACCUMULATED OPERATING LOSSES of \$134.7 billion—a total of \$262.3 billion to date.

It has been estimated that even under the worst possible conditions at least 25 per cent of this sum, or 65 billion can be salvaged from the sale of such properties and facilities. In addition, it has been estimated that applying these proceeds to the national debt would further reduce our annual cost for interest almost \$2 billion.

THE 37 WORDS of the last section bid good bye to Standard Form 1040 forever. This section provides that: "Three years after the ratification of this amendment the sixteenth article of amendments to the Constitution of the United States shall stand re-

pealed and thereafter Congress shall not levy taxes on personal incomes, estates, or gifts."

The intriguing thought of getting government out of private business and lightening the heavy tax burden on our citizens has already resulted in approval of the 23rd Amendment by the legislatures of three states—Nevada, Wyoming, and Texas. Resolutions are pending on the question before many more state legislatures.

Of interest to the individual is the fact that more than 90 per cent of all income tax is paid by people who earn less than \$10,000 per year. Even if the government confiscated all incomes over \$10,000 per year, it would produce only \$5.6 billion—this wouldn't run out government today for even ONE MONTH.

AND WHILE you're thinking about it, you might consider these facts which the "deficit spenders" choose to ignore: A bankrupt Treasury always precedes dictatorship and war. History records that the fall of the franc paved the way for Napoleon; the collapse of the mark brought Hitler to power.

"Bread and circuses" sounded the death knell for the Roman Empire. Our own government bureaucracy today has been termed a giant juggernaut whose momentum can hardly be stemmed by Presidents or Congresses. In our huge government departments only a thin veneer of Ike's appointees overlay the mass of entrenched holdovers with superheated passions and built-in mechanisms for expanding Federal programs.

It's pleasant to think about the thing we could do with the taxes we could save, if only we could see the last of Form 1040.

Diabetes Is Eighth Cause Of Death in United States

By Roy O. Gilbert, M.D.
Los Angeles County Health Officer

It is said that at least a million Americans are known to have diabetes and that another million have the condition in an unrecognized form. It is the eighth cause of death in the United States.

Ever since discovery of insulin many years ago, the medical profession has been well equipped to deal with diabetes. The disease itself need not be fatal if it is discovered early. If the patient cooperates with his physician, the condition can be satisfactorily controlled.

Finding the diabetic is largely a matter of public education concerning the nature of the disease, its symptoms, and motivation of the public for the need for periodic testing especially in the older adult groups. Most susceptible are overweight, middle-aged persons, particularly women with a family history of the ailment.

DIABETES IS a condition in which the body cannot use sugar in a form which can be carried in the blood stream because of the lack of a secretion (now known as insulin) from the pancreas.

To wash away the unused sugar, the kidneys increase the quantity of urine, and the patient drinks continu-

medical examination, including a urinalysis, should see his family physician even though he is apparently well. By this means and by following the common sense rules of health, all of us can do much to avoid the consequences of diabetes.

Anyone interested in a booklet concerning diabetes may obtain it by writing to the Los Angeles County Health Department, Division of Public Health Education, 241 N. Figueroa St., Los Angeles 12, Calif.

Randolph Maddox, 86, Passes Away

Following a brief illness, Randolph Maddox, 86, of 633 W. Montecito Ave., passed away May 22 in a Los Angeles hospital. A native of Baltimore Md., he had been a resident of this area for 17 years.

Surviving are a niece, Mrs. Edna Smotherman of Sierra Madre; three grandnieces, Mrs. George Graham, Mrs. James Wareham and Mrs. Bobbie Rameau, all of Sierra Madre, and other nieces and nephews in the east.

Funeral services were Wednesday at 11 a.m., with the Ripple Mortuary in charge and the Rev. George W. Lindsay, First Congregational Church, officiating. Committal was private in Pasadena Mausoleum.

GLIMPSE THOSE SMILES—Lt. Fred N. La Lone receives a check from the Sierra Madre Civic Club for the Sierra Madre Search and Rescue Team. Mrs. Wally G. (Louise) Katellus, left, tenders the check while Mrs. Arthur B. (Katherine) Albertson looks on smilingly.

100 Grander Saturday at Hollywood

The Californian, first of five \$100,000 added races to be renewed during the current big racing season at Hollywood Park, will attract one of the most outstanding fields in history this Saturday.

Headed by the sensational Amerigo and Bagdad, 14 of the original 18 nominees seem likely to go postward in the rich mile and one-sixteenth race.

Although he was named for the Californian, Lincolnd will be forced to miss the race. He had a piece of a splint bone removed at Bay Meadows, but is back galloping soundly at Hollywood and will start later in the meeting.

AMERIGO figured in the four-horse blanket finish of the Santa Anita Handicap, won the \$100,000 added San Juan Capistrano Handicap a week later and then returned to Florida to be runner-up to Bald Eagle in the Gulfstream Handicap.

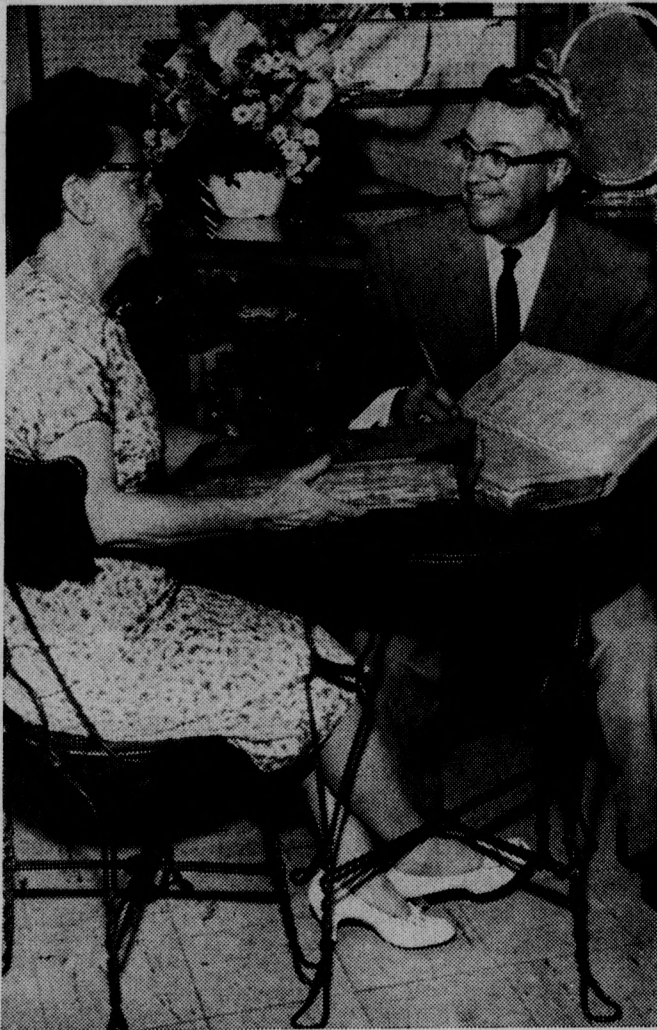

Bagdad, who, with Amerigo, made the Los Angeles Handicap a stepping stone to The Californian, has never looked better. He was an easy winner of the Hollywood Derby last year after running second to Sword Dancer in the Belmont Stakes. He was second in the Malibu and Maturity Stakes and won the San Antonio Handicap.

New Rose Queens At Rose Hills

America's two new rose queens, Parfait and Duet, which were announced this week as the 1961 All-America award winners, have been planted in the "Pageant of Roses Garden" for many months and now have hundreds of blooms. The garden, located at Rose Hills Memorial Park near Whittier, is an official American Rose Society test and display garden.

Duet is a pink and red hybrid tea rose. A big, vigorous, easily grown plant, it produces many beautiful buds and lovely flowers on long, sturdy stems. Pink Parfait is a grandiflora rose with a blending of soft rosy-pink hues.

THIS WAS the scene in front of the Hartman Pharmacy at 29 N. Baldwin 46 years ago as W. H. Sheve, pharmacist (left), and Franklin H. Hartman, then owner and pharmacist, pose between the mounted deers stationed outside the pharmacy. Picture brings nostalgic memories to Rudolph R. Hartman, son of F. H., and presently observing his 50th anniversary as pharmacist and store owner in Sierra Madre. Below, Mr. and Mrs. Rudolph R. Hartman going over some old prescription books during recent open house observance.

Civic Club Holds New Polio Clinic

Sponsored by Sierra Madre Civic Club, polio vaccine shots at \$1 each were given Tuesday from 6:30-8:30 p.m., at the Women's Clubhouse, 245 W. Sierra Madre Blvd. First, second, third and booster shots were given to

persons of all ages from three months upward at the low-cost clinic.

Mrs. Julius E. (Yvonne) Hammerschmitt, chairman of the polio vaccine clinic, pointed out that polio incidence will increase during the summer and early fall months. To date 21 cases of paralytic polio have been reported this year in the Los Angeles area, as compared with 26 cases in 1959. A total of 190 cases were reported last year, an increase of nearly 51 per cent over 1958.
